Mohit Minerals Limited (MML)

Contributes significantly to the energy needs of the Nation, by being the bridge between producers of the commodities and the users of the commodities. We continue to strengthen our position in the sector and are amongst the top 3 Indian coal importers, focusing on the supply of high-quality coal. Led by Mr. Chander Bhushan Bajaj, the company started the business 3 decades back. Further substantial growth has been achieved under the leadership of Mr. Mohit Bajaj. Now MML is recognized and acknowledged as a leading player in coal trading and inland logistics. While focusing on our customers, we enjoy a strong rapport with our stakeholders i.e. Coal Miners, Shippers, Port Authorities, Custom Authorities, Railways and End users. We are continually looking for opportunities to reinforce our competitive advantage, expand our market share and develop a socially responsible business.

BUSINESS VERTICALS

CORE STRENGTH

Extensive Market Knowledge

Deep understanding of global mineral markets

Strong Supplier and Customer Relationships

Established, long-term = relationships with reliable suppliers and customers

Diverse Product Portfolio

Offering a wide range to cater various industries reduces dependence, enhancing the company's flexibility and stability.

Financial Strength and Stability

RENEWABLE BUSSINESS EXPANSION

As part of our strategic growth and commitment to sustainability, we are actively expanding into the renewable energy sector, with a focus on developing and operating solar and wind projects across both utility-scale and commercial & industrial (C&I) segments. We are in advance stage of first 100 MW project commencement.

GLOBAL COAL & COKE OPERATION

We have a robust pan-India presence with 8+ marketing offices and 10+ operational port offices, supported by an experienced and skilled team. Operating across key coal-producing states like Jharkhand, Chhattisgarh, Madhya Pradesh, and Odisha, we cater to diverse customer needs. Our endto-end solutions in coal trading and logistics ensure seamless delivery from mine to client doorstep.
